PANEL SHOW - 12 Sep 2014

The panel show, called CEREC Desert Fest will look at the networks, which exist within the Digital Dental world. The five panelists with their vast knowledge will show how fast the digital technology and science joined up unexpectedly to dentistry than we ever imagined. "Digital advancements in dentistry are growing at a break-neck speed" Todd Ehrlich, DDS.

SPONSORED DESERT SAFARI
12 Sep 2014
15:30 - 22:30

TABLE CLINIC PRESENTATION - 13 Sep 2014

Five table clinics will operate from 11 to 13 September in groups. Outstanding CEREC trainers will run a premiere extensive training for future and advanced CEREC users. Participants will have the opportunity to interact immediately and ask their personal questions of interest. The practical demonstrations will, at the same time, provide inspiration and other means of trouble shooting.
